Mediation Style

Preparation is the key to successful outcomes in mediation. I work with the parties in advance to understand not only the positions, but also the problem and the people. While facilitative, I am appropriately evaluative depending upon circumstances. A more full description is attached hereto.

Mediation Experience

For over 25 years I have been a mediator in complex commercial disputes (domestic and international) involving billions of dollars and important strategic interests. For the past 12 years, a mediator and arbitrator fulltime.

Mediation Education and Training

Hundreds of hours of education and training at mediation training programs of IAM, CPR and ABA.

Delivered keynote addresses at Annual Winkler Institute (Canada) and Florence International Mediation Center. Trainer in mediation and negotiations in programs sponsored by ADR organizations and law schools.

Some Professional Affiliations
