Programming Expertise

Jon Prudhoe is a Senior Managing Director and the Asia Pacific Construction Practice Leader. Previous roles have been held on both sides of the construction industry, having worked for contracting and consulting organisations. He is a qualified Mediator, Adjudicator and has had several appointments as Expert Determiner and Dispute Board Panellist.

Mr. Prudhoe is one of the few individuals in Asia equally capable of acting as both Quantum and Delay Expert. He has a practical approach to dispute resolution and understands the complex technical aspects of projects & their inherent problems. Mr. Prudhoe specialises in the resolution of complex contract disputes including over 90 appointments as an Expert Witness on matters of Delay, Planning, Acceleration and Quantum. He is well versed in giving oral evidence under cross-examination in litigation and arbitration proceedings including expert witness conferencing ("hot-tubbing").

Mr. Prudhoe has given evidence in arbitration hearings under ICC, SIAC, SCMA, DIAC, HKIAC, SCC, UNITRAL, KLRC, and LCIA rules and, court / arbitration proceedings in Singapore, India, Middle East, UK, Hong Kong, Australia, Malaysia and Sweden.

Mr. Prudhoe has over 35 years' experience of resolving complex project disputes including the following sectors:

- Building
- Civil & Structure Engineering,
- Infrastructure,
- Transportation,
- Utility,
- Petrochemical,
- Marine,
- Mining,
- Shipbuilding, repair and conversions e.g. FPSOs
- On-Offshore Oil & Gas Facilities
