Mediation Experience

I have mediated over 1750 mostly complex or multi-party cases. I have mediated in over 30 states in the U.S. as well as in other parts of the world, including in Europe and Latin America. I specialize in commercial, employment, professional liability, construction and engineering, and insurance coverage disputes. I have worked on many matters in which one of the parties is not U.S.-based, including companies and attorneys from Asia (China, Japan and Korea) and Africa.

He has also been recognized every year since 2014 in "**International Who's Who in Insurance and Reinsurance**" and recognized every year since 2013 as one of the best mediators from around the world in the "**International Who's Who in Commercial Mediation.**"
