SIMC India Specialist Mediator

Mediation Style

Being a dispute resolution lawyer with a commercial bent of mind, I am conscious of how important an interest-based approach can be. I am also, using my experience of more than 15 years as an advocate, able to point out the worst possible outcome for the parties. A focused problem-solver, I understand that business goals shape legal strategies. The mediation style is one that, therefore, keeps the best possible outcome and the interest of the parties and the salvaging of a relationship at the fore.

Mediation Experience

Limited to counselling of parties in the midst of ongoing disputes. Yet to be appointed as a formal mediator.
