

SCCA LEGAL EAGLE CHALLENGE MASTERCLASS

 9.30am to 12.30pm - 25 June 2022 (Saturday)

Attendees will have an opportunity at the online Masterclass to hear from the leading industry experts. Click [here](#) for the speakers' full profiles. The Masterclass will cover the following topics

Corporate Structuring 101 – Avoiding common pitfalls

The law has evolved to introduce new types of corporate entities to suit different business needs. What are common pitfalls in choosing the type or number of entities? What are factors to consider from a legal perspective and a tax/finance perspective?

Paul Tan

Dispute resolution clauses – more than just a boiler plate

Lynnette Lee
Deputy Counsel, Singapore
International Arbitration Centre

Siddharth Jha
Centre Manager
Singapore International
Mediation Centre

Tiong Teck Wee
Joint Head of Sustainability &
Responsible Business Practice and
Partner in the Commercial &
Corporate Disputes Practice,
WongPartnership

In the euphoria of closing a deal, parties may overlook the dispute resolution clause and copy and paste it from a random precedent. Is it a one size fit all boiler plate clause? What are factors to consider in choosing a dispute resolution mechanism? Is there such a thing as a badly drafted dispute resolution clause? What are key factors to consider in drafting a dispute resolution clause?

UN Sustainable Development Goals & how businesses can make a positive impact

When most people think of ESG or sustainability, they think about environmental conservation. Sustainability is more than that! Join our fireside chat to learn more about the UN sustainability goals, the thinking behind it, and more importantly, how businesses can get involved and make a positive impact.
